**ORDER SETTING TECHNOLOGY  
TUTORIAL**

PROGRESSIVE SEMICONDUCTOR  
SOLUTIONS LLC,

Plaintiff,

v.

MARVELL SEMICONDUCTOR, INC.,  
Defendant.

Case No. 8:14-cv-00330-ODW(JEMx)

Per the Court's Patent Standing Order, the Court finds that a technology tutorial will aid in adjudicating these actions. The Court therefore **SETS** a technology tutorial in both actions for **Wednesday, July 16, 2014, at 10:00 a.m.** The Court expects the parties to meet and confer and, if possible, to present a joint tutorial not to exceed one hour. If the parties cannot agree on a joint presentation, then each side will be permitted 30 minutes to present a short summary and explanation of the technology at

1 issue. The tutorial should provide a neutral, objective overview of the technology, the  
2 prior art, and the patents involved. No argument will be permitted. Visual aids and  
3 demonstrative exhibits are strongly encouraged. The tutorial will be off the record  
4 and not transcribed.

5 The parties shall lodge with the Court all materials utilized in the technology  
6 tutorial in advance of the proceeding. The parties are permitted to include as an  
7 additional attachment a memorandum—not to exceed five pages—summarizing the  
8 materials and tutorial. The parties must lodge the materials for the Court's review by  
9 **Wednesday, July 9, 2014.**

10 The parties may elect to present the tutorial through counsel, experts, or both.  
11 If a party intends to utilize an expert in the technology tutorial, a statement of the  
12 expert's qualifications must be submitted as an additional attachment to the lodged  
13 materials.

14 **IT IS SO ORDERED.**
